Thank you for asking Evolution Lawyers Limited (**Evolution**) to act for you. We understand the purchase of the Properties.

We would be happy to act for you in this matter. Please find **attached** a copy of our standard terms. Any terms we provide to you will be subject to those standard terms, as varied or added to by this letter.

Please confirm that you agree with the Terms by return email. Evolution can commence work on the matter upon that confirmation.

Your Matter

I will have overall responsibility for the matter. I will be assisted by other lawyers as and when required.

The fees for this matter will be charged and billed in accordance with the Terms. Our current estimate of fees is \$880 plus GST and disbursements. This is, however, an indication only, and the actual fees will be determined as required.

Disbursements for a matter of this kind typically include Land Information New Zealand fees for a Land Information instrument (for example discharge of a mortgage or transfer of a title), title searches, and a Land Information disbursement fee of \$25.

We will endeavour to inform you in advance if it appears as though our fee will exceed the current estimate.

Disclosure of Interests

We do not believe there is any conflict of interest that would prohibit Evolution from acting for you.

We look forward to your acceptance of our Terms. If you have any queries about our Terms, please contact us.

Yours faithfully
